#### Review of last meeting notes and to-do list:

- Maxine was not able to reach the Bishop’s office to confirm date, so we have to find a new date. Fr. Steve was able to talk to Lexie Shoemaker and get two possible dates. July 31 or August 14. As a committee, July 31, 2016 was chosen.
- Diane Jones created the displays at both entrances where the forms can be found and returned upon completion
- Announcement was read by commentator at July 11/12 masses. “The committee for the 150<sup>th</sup> Anniversary Celebration will be addressing the congregation in the next few weeks at each Mass about the plans for the events taking place next year, 2016. The committee would like your ideas, help in implementing ideas and financial support for this important work. Please think about how the gifts you have been given can be used to support this monumental and historical time in our lives.”
- Chris Stephens and Jim Pitsch gave the announcement after each mass the weekend of June 18/19. The announcement is attached to the end of this document. (Jim added an invitation for the youth to get involved.)
- Denise and Diane along with Kayla Stephens worked to add a 150<sup>th</sup> celebration page to the parish web site.

- To create/use an envelope for donations it has to go through the pastoral and finance committees. Jim and Maureen will take it to respective committees.
- Directory – discussion as to whether or not we want to have it completed to give out by 150<sup>th</sup> ann. Or wait to add pictures of the 150<sup>th</sup> to the directory
- It was suggested that we use a company to create the directory, but we go to parishioners that do not want to have a professional picture.

Announcement for July 18/19 -To be read by committee member

Hello, I am \_\_\_\_\_ and I am representing the 150<sup>th</sup> Anniversary Planning Committee. If you are not aware, St. Mary's Visitation Parish will be celebrating this 150<sup>th</sup> milestone next year, 2016. We would like to celebrate all year long with events happening each month. An August 7, 2016 date has been set for a mass with the Bishops and former priests. Additional activities are still in the early planning stages.

As a committee, we have met a few times to determine the who, what, where, when, why and how's of these events. We have had some great input, but need your help. One way you can help is to fill out the form that is in the pew requesting some parish and school history information, if you have not done so already. This information is important to us so that we have the ability to reach as many present and past parishioners and school alumni as possible. We do not want to miss anyone.

Another way that you can help is with suggestions. The form has a spot for adding ideas along with contact information by email or phone. There is a display at both entries for you to pick up a new form if needed and to return completed forms. All this information can also be found on the parish website under the "Parish Life" tab.

Money is always a driving force for any major undertaking and this celebration is no different. We will need your financial support with this endeavor through donations and fund raising activities. Envelopes will be available soon to make the process as easy as possible. If money is a deterrent, we need input on how to create some low cost events to celebrate the anniversary.

The Committee would like to thank you in advance for your support and prayers as we work to honor those that help create this parish that has given us so much.
